## Contract Confirmation

You may access Ford Otomotiv Sanayi Anonim Şirketi Privacy Notice on the Transfer of Personal Data Collected through the Connectruck System here.

I hereby give my consent to Ford Otosan to share my identity information, contact information, information regarding work, information on related authorized importers / distributor and dealer and service and my vehicle information explained in the Privacy Notice with the authorized importers / distributor and their related dealer and service from which you purchase products and/or services for the purposes of (i) detecting and intervening vehicle problems in advance, preventing the vehicle from being stuck on the road and thus providing customers with the opportunity to save cost and time, and (ii) reporting to me about the technical features / qualifications of the vehicle and enabling me to take action accordingly if necessary.

In terms of all personal data processed within the scope of the ConnectTruck service, if the relevant personal data belongs to the third parties that I have authorized to use the vehicle or ConnectTruck service applications, I undertake that I have provided the necessary information to the third parties within the framework of the Privacy Notice and I have obtained their consent if necessary.
